Deliberative/Pre-Decisional—Not for Public Disclosure

Ex. 5 - Deliberative

I think we have what we need to work with but I need your help to refine it. The two documents that I think we use to put together the draft that we would share with the state are attached. I will be working on them this morning to come up with a version that includes some greater specificity on milestone which I will then want you all, particularly Allison (and NMFS contact), Alan and Jenny, to quickly look at and let me know if it meets our needs/expectations.

Things are moving very quickly now and we need to get this done ASAP. I can fill you in more completely on our call tomorrow.
